

Instituto ALMA

I mentioned our collaboration with Esaú Aguilar as he shared in the North American Hispanic Friends Conference. Pray with us as we discuss a greater involvement for him to help the Instituto ALMA: ALcanzando al Mundo Alrededor (our leadership training institute) to partner with DAI in developing servant leaders. Esau writes:

At the DAI ministry in Spanish we are grateful to God for allowing us to facilitate a training of two Servant Leadership modules at the October 06-09 meeting held by AMANA in Chicago Illinois. The first was: Leader know yourself and the second: Leading a change. The modules provided are part of ten modules that contain the complete Servant Leadership workshop. This

collaboration was possible thanks to the connection of our valued colleagues Edwin and María Giron who represent EFM, in conjunction with the ALMA Institute and the Coalition for Hispanic Ministry led by Dr. David Byrne.

The mission and purpose of Development Associates International (DAI) *seeks to enrich the integrity and enhance the effectiveness of Christian leaders globally so that the Church fulfills its calling to further the kingdom of God.* So we make available to Hispanic leaders the courses

of: Servant Leadership, Strategic Thinking, Spiritual Development of the servant-leader, Educate and Learn with Impact, The Development of new leaders, Fundraising for the ministry, Servant Leadership for Youth. Our biblical basis for all of our courses

and workshops are found in the mandate and model of Our Lord Jesus Christ when he said: "But it will not be so among you, but whoever wants to become great among you will be your servant, and whoever wants to be the first among you, will be servant of all." Mark 10:42-44.
